

Goalrilla[™]

IT ALL STARTS WITH A GOAL

From making varsity to making the game-winning shot on the biggest stage, all athletes have dreams. Our aspirations are what drive us. Athletes who stop at nothing deserve Goalrilla, the training equipment that truly replicates the in-game experience. So when it's all on the line, athletes have extreme confidence in their ability to deliver. That's what Goalrilla brings to training and that's how dreams become a reality. **Welcome to Goalrilla.**

DREAM BIGGER THAN YOUR DRIVEWAY

This is where it starts. On this concrete rectangle. Impossible three pointers are drained. Neighborhood reputations are made. But for some of us, that's only the beginning. We're shooting for more. More court time. Varsity. A ride to a D1 school. And Goalrilla is the basketball hoop that's gonna take us there. This is where it starts. But there's no telling where it ends.

BASKETBALL HOOPS

DIRECT CONNECT TECHNOLOGY

INSTITUTIONAL TOUGH – DESIGNED FOR YOUR DRIVEWAY

Most adjustable basketball goals pivot where the rim and backboard meet the backboard arms. This causes forces on the rim to be directly transferred to the backboard frame and glass.

The Goalrilla DC eliminates this pivot point, and instead transfers all forces to a solid cage supported by double-welded crossbeams via a 4" steel beam.

This technology allows the Goalrilla DC72E1 to support **UP TO 2,000 LBS. (1 TON)**

Watch the video at goalrilla.com ▶

The **DC72E1** features **DUAL WELDED TORSION BARS** on its lower board arms to prevent backboard sway.

CLEAR VIEW WITH STBLZR™ TECHNOLOGY

REVOLUTIONARY TECHNOLOGY THAT SIGNIFICANTLY REDUCES THE SHAKE OF A BASKETBALL GOAL

STBLZR TECHNOLOGY FEATURES a Tuned Mass Damper, a small resonant system added to the top of the goal that reduces the amplitude of vibration by absorbing kinetic energy. The **STBLZR** design uses an internal, moving mass that **ABSORBS THE MOTION OF THE GOAL** and is quickly brought to a rest using a magnetic field.

ACCESSORIES AND UPGRADES

A DELUXE POLE PAD

- 68" tall x 4" thick for maximum player protection
- All weather durable construction extends to cover baseplate
- Easy installation

B2607W

B UNIVERSAL POLE PAD

- 62" tall
- All weather durable construction extends to cover baseplate
- Easy installation

B2611W

D UNIVERSAL BACKBOARD PAD

- Weatherproof pro-style pads
- Added backboard protection
- Fits 72", 60", and 54" systems

B2618

E GOALRILLA ANCHOR SYSTEM

- Replacement anchor system for Goalrilla goal systems
- Allows for easy leveling
- If you move to a new home, your goal can move with you

B1002

C SQUARE POLE PAD

- 62" tall
- All weather durable construction
- Easy installation

B2700W

G PRO-STYLE FLEX RIM

- B2600 – Heavy weight (5 x 5 bolt pattern)
- B2601 – Medium weight (4 x 3 bolt pattern)

H GOALRILLA BASKETBALL

- 29.5" regulation basketball
- Rubber, synthetic composite
- Indoor & outdoor usage

B9000W

F 7-INCH ANCHOR SYSTEM

- Replacement for Silverback & Goaliath goal systems
- Allows for easy leveling
- If you move to a new home, your goal can move with you

B1030

I LED HOOP LIGHT

- Powerful, long-lasting LED lights illuminate backboard, rim, and court
- Extends over top of basketball hoop for increased safety and function
- Directs light down onto the court instead of out and into the players' eyes
- Fits all Goalrilla units and other in-ground hoops with 5" x 5", 6" x 6", and 6" x 8" pole

When a late afternoon game stretches into the evening or a morning practice begins before the sun, the Goalrilla LED Basketball Hoop Light helps maximize practice time.

These powerful, long-lasting LED lights feature an innovative design that extends over the top of the basketball hoop and illuminates the backboard, rim, and court for increased safety while playing in the dark.

B2415W

The new design makes it **EASIER TO INSTALL AND LOWER** for convenient bulb changing and storage.

J YARD GUARD

- Defensive net system that keeps balls in the court
- No more chasing balls into the street or landscaping
- More practice time for better skill retention
- Easily folds for discreet storage.
- Quickly installs on any Goalrilla goal with a 5" x 5", 5.5" x 5.5", 6" x 6", or 6" x 8" pole
- Installs on unit, not in ground

This easy-to-install net attaches quickly to your basketball hoop's pole and fans outward to cover a wide area. The net is made from durable, weather-resistant black nylon.

Why waste time recovering missed shots when the Yard Guard can help intercept and rebound the balls back onto the court, making practice more efficient. When not in use, the Yard Guard folds up easily for compact storage. Dimensions: 94W x 5D x 106H inches.

B2800W-2

Keep your basketball **ON THE COURT** with the Goalrilla Yard Guard.

COLLEGIATE POLE PADS

STRENGTH FROM WITHIN

IT TAKES MORE TO BE A GOALRILLA

TEMPERED GLASS BACKBOARD

- Stronger, safer and performs better
- Full-perimeter, all-steel support frame provides maximum rebound support
- Radius edge aluminum frame protects glass backboard

WELDED, WIDE SPAN BOARD ARMS

- Mitered and welded for superior strength
- Increased support to backboard

ONE-PIECE STEEL POLE

- Welded pivot tubes increase strength
- Welded gussets maximize stability and eliminate pole flex at base

POWDER COATED

- Ultimate UV & corrosion resistant hardware

PRE-ASSEMBLED PRO-STYLE FLEX RIM

- Net included
- Dupont powder coated
- Ultimate UV & corrosion resistance

ALL-STEEL, PRECISE HEIGHT ADJUSTMENT

- Easily adjusts goal height from 7'-1½ft. to 10ft. (meets ASTM Standards)

ROCK-SOLID, ANCHOR BOLT MOUNTING SYSTEM

- Allows for easy leveling
- If you move to a new home, your system can move with you
- Includes rebar steel rods to strengthen concrete

*Schools subject to change.

CLUTCH STARTS HERE

That crucial moment between winning and losing – a moment frozen in time and defined by preparation, perspiration, inspiration and pressure. You've been there. That moment is won with the five mile run at 5:00 a.m. and the countless hours spent training to hone your skills. This is your moment. Own it.
